Chair Construction Demo

Meeting Wed. June 14th

Ted will continue his demonstration of drilling and fitting the angled legs on a stool. We will also decide on a project to build for the Woodcarvers show.

Veneering Workshop

Steve Wargo will be conducting a veneering demonstration for us on Sat. June 10th. This will run from 8:30 to 4:30 with an hour break for lunch. The location will depend on the number of members attending. Please RSVP to Stephen Page (spage(at)ix.netcom.com (subject line Wargo Workshop) or 216-529-1683)

Challenge Project

The storage boxes will be shown at the July meeting. You are free to make one of your own choice or work along with other members who are making versions of a fine tool chest featured in WoodSmith magazine #151.

Future Meeting Plans

We would like to plan our meeting demonstrations for the next few months so please consider what you could share with the guild members.

May's meeting

At May's meeting we worked on tuning up and using handplanes
