Northeast Ohio Woodworker's Guild

Vol. 6 Issue 8

## Challenge Project Presentation (Second Chance)

Meeting Wed. August 9<sup>th</sup>

Please bring your storage box projects to show. We also will be discussing the state of the guild and what direction we want to go.

### Hall Table Project

For the Wood Carvers' Show in September we have chosen to build a Hall table based on the plans from WoodSmith magazine #152. John has finished the legs and Jeff and Gary had the top veneered. Richard will be making the Apron and Chris will finish it.

### Future Meeting Plans

We would like to plan our meeting demonstrations for the next few months so please consider what you could share with the guild members.

Deadline for September's newsletter is August 24<sup>th</sup>

### July's meeting

One completed storage box was presented at the meeting. Also we looked at some parts of the hall table we are building.

We also are trying to finalize plans for the workshops on Oct. 14 and 15 to cover furniture design and marquetry. Please save these dates. There will probably be a nominal charge for members and if we need we may open it to non-members for a market rate fee.
