Frame It

Meeting Wed. August 13th

This month we will take a look at making picture frames. Also Stephen will show a basic setup to cut mats for your picture frame.

Toy Challenge Project

Hopefully you have had a chance to get started on a toy to show at the August meeting.

Wood for Sale

I am doing some investigating for a friend of mine. His dad stored up a lot of hard wood over the years and passed away. He has lumber that is cherry, walnut, white oak and red oak. The lumber is in good condition and there is approx. 10 skids full of lumber. Most of it is in 1X6X12'. He is interested in selling the wood in bulk or in small quantities. The lumber is located in Coshocton, OH. If you are interested in looking at this wood and making an offer, contact me by email or call.

July's meeting

We talked about some differences in glues. Chris brought in his hide glue pot. Rather than melting the glue in the pot he filled it with water and had the glue in a squeeze bottle. Between uses he keeps the bottle in a freezer.
